BOOM

Enables you to offload your lorry with the best visibility ever.

NEW FNR JOYSTICK

This new « boom control » joystick now integrates the « reversing shift » function : the driver can keep one hand on the steering wheel and one hand on this joystick to operate any movement. Time saving and much better driving position.

COMPACT

With its new design, the MANITRANSIT is more ergonomic : spacefull cab, full 360° visibility...

This publication in no way constitutes an offer and the company reserves the right to alter specification without prior notice.
The MANITOU models presented in this brochure can be supplied complete with optional equipment attachments.
IMPORTANT : All regulations relating to vehicles apply to vehicles equipped with truck-mounted forklifts.
